Welcome to the RRHS Virtual Tour

Google Slides

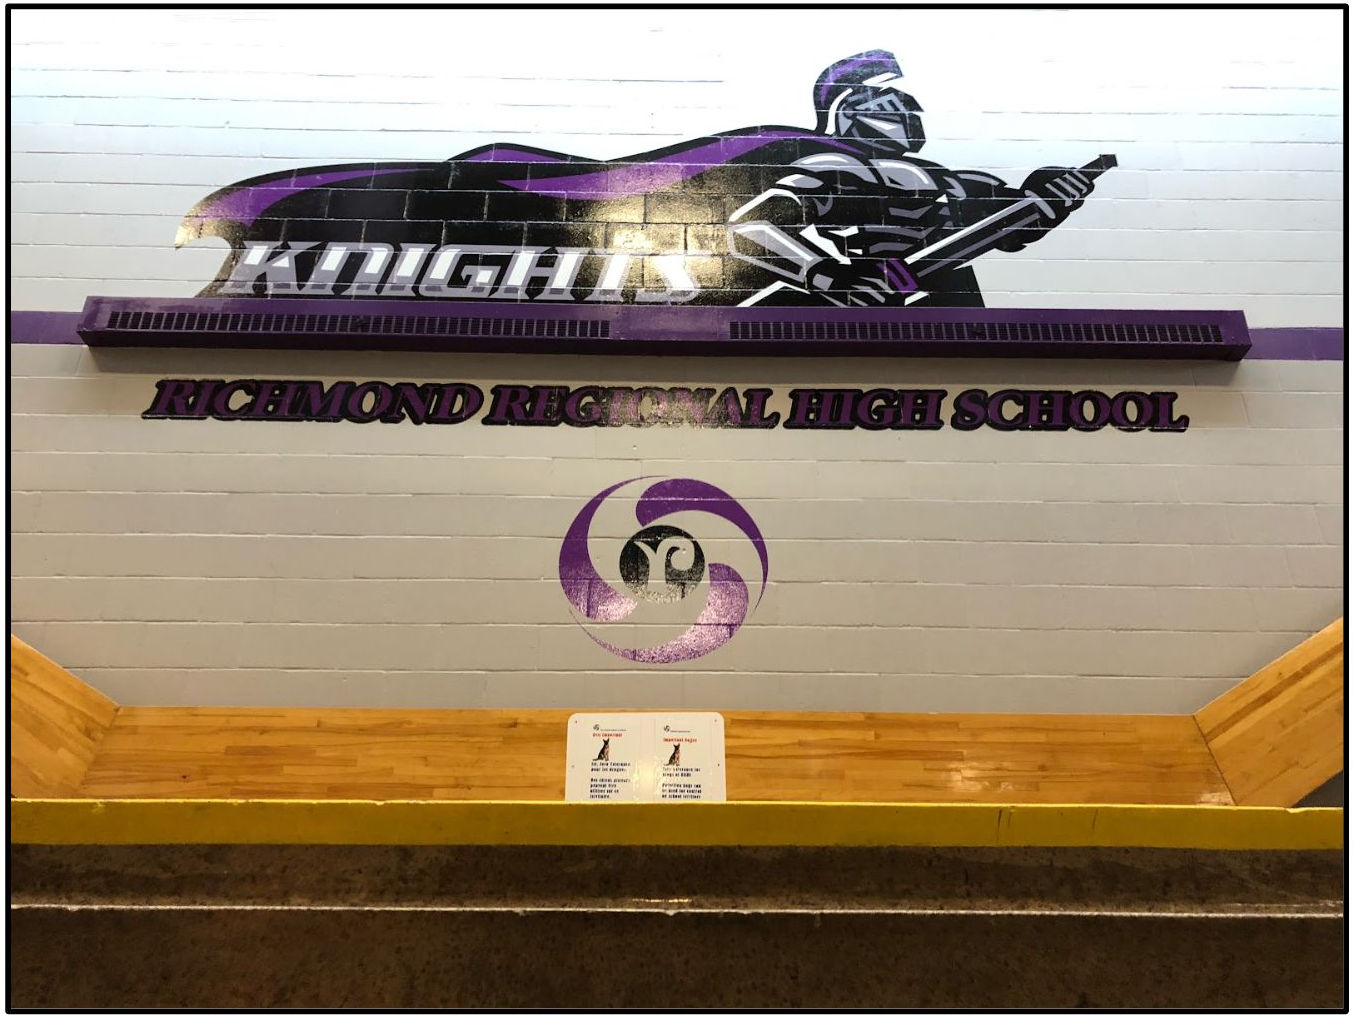

From the main lobby, you can head to the right for the student classrooms in **Red, Blue, or Green Halls.**

You can also head left into the **Main Office** and Administrators Offices.

Or you can go straight ahead towards our **newly renovated gymnasium**

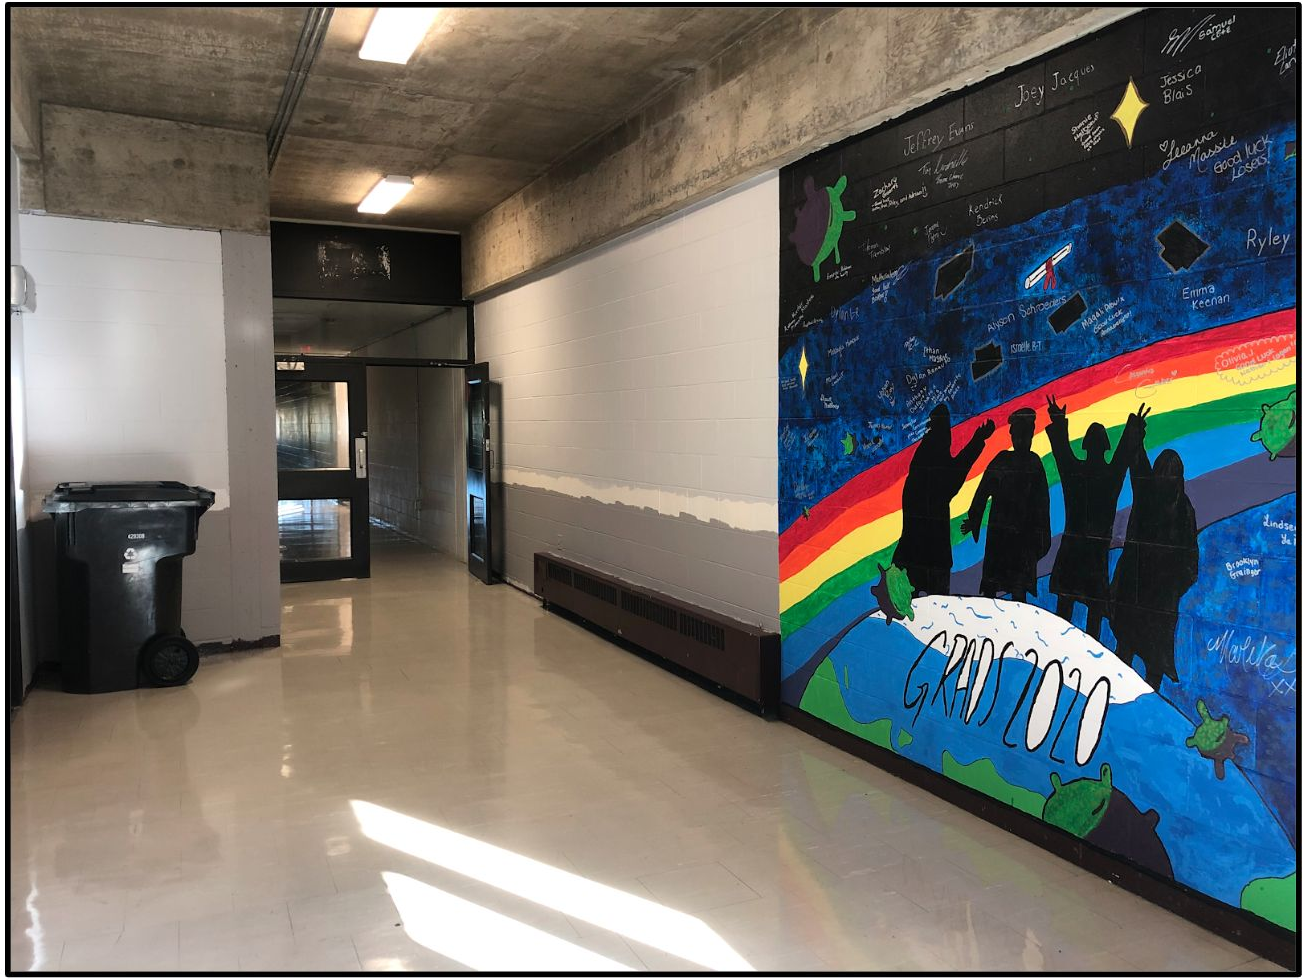

Google Slides

From our main lobby stairs you can either go left to head towards our locker rooms and gym viewing area

or

Turn to the right and head towards our Library and student services hallway.

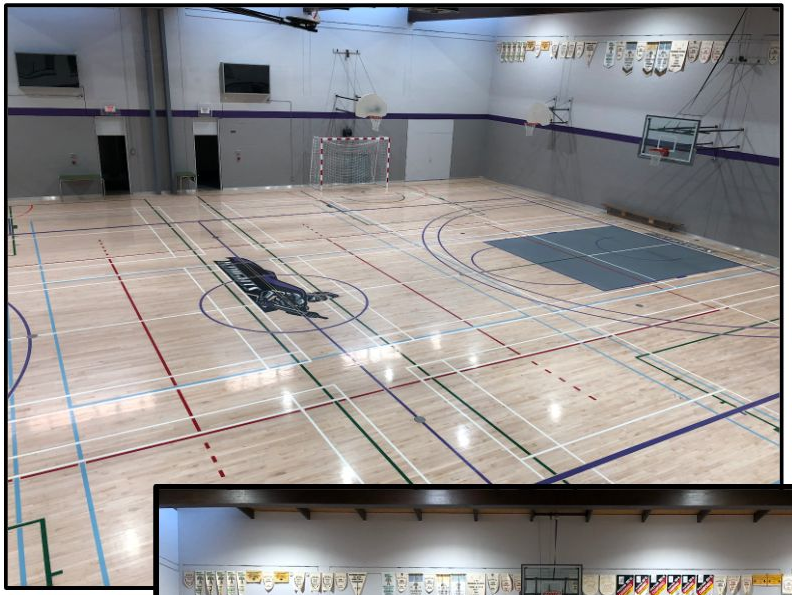

On the right you'll see our Class of 2020 Grad wall. Every Graduating class dating back to 1983 has been invited to decorate a grad wall and leave messages for future RRHS Students

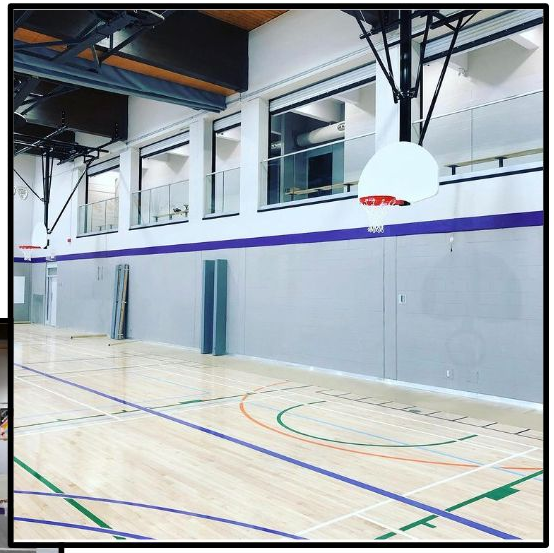

Keep going to the left to see our newly renovated Gymnasium and locker rooms

Here we have a viewing area for the new gym as well as one of our contactless water fountains that have, to date, been used over **20,000** times saving the waste from single use bottles of water.

Google Slides

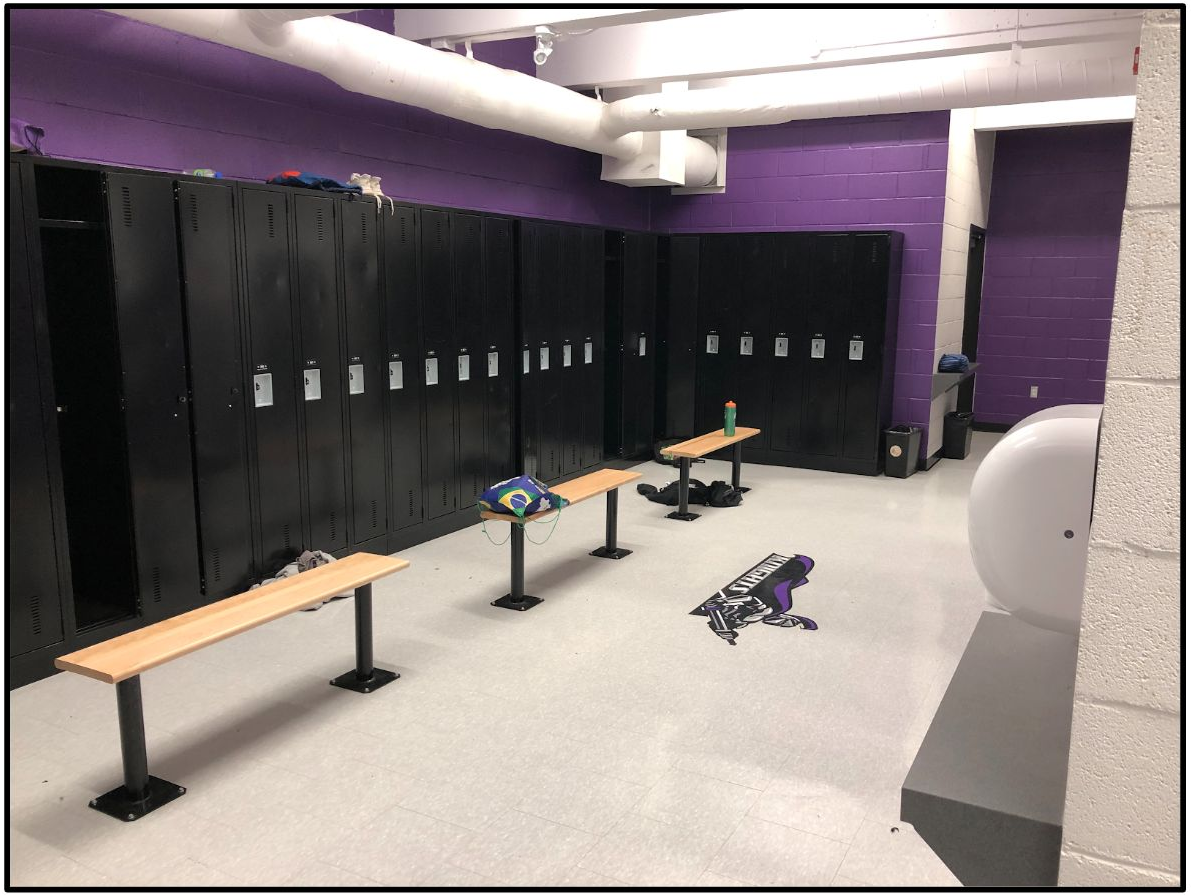

Our Gymnasium, renovated in 2019/2020 is home to **Knights** Basketball & Badminton

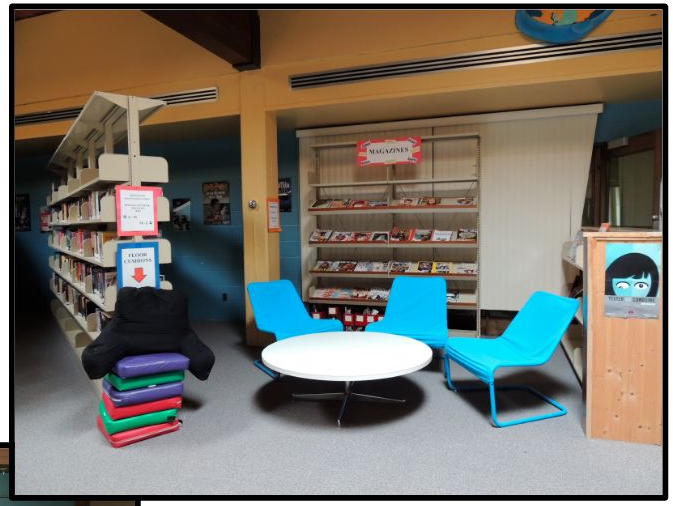

In addition to the new gym floor, viewing area, and locker rooms, it boasts **2 brand new digital scoreboards.**

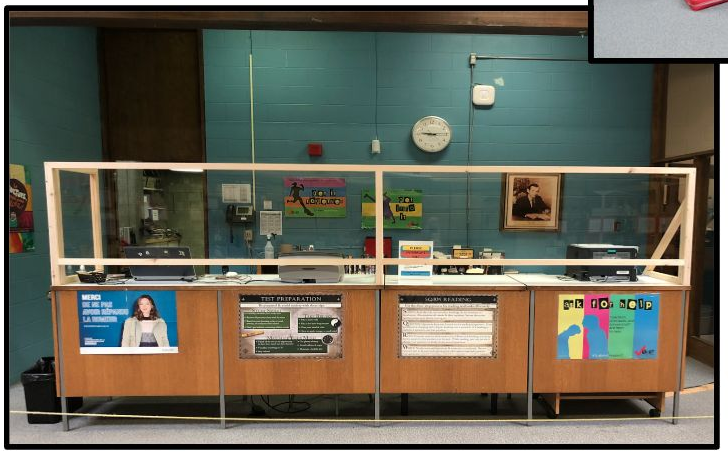

Google Slides

Thus far we have renovated the upstairs Boys and Girls locker rooms with the downstairs lockers to come in the near future.

Upstairs in the center of the school is the RRHS Library. Whether you're looking for an informative book for a school assignment, a good book to read, or a place to relax with friends, the RRHS Library has you covered.

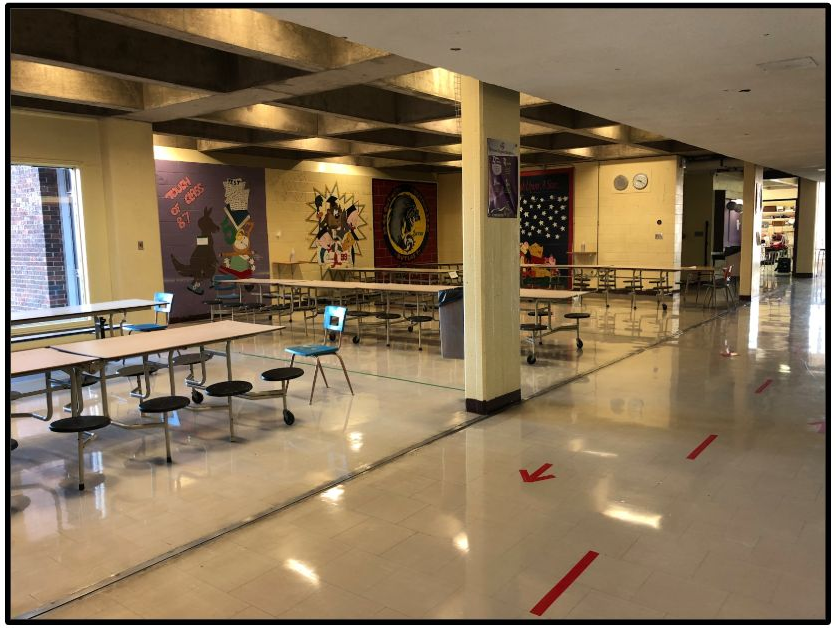

Google Slides

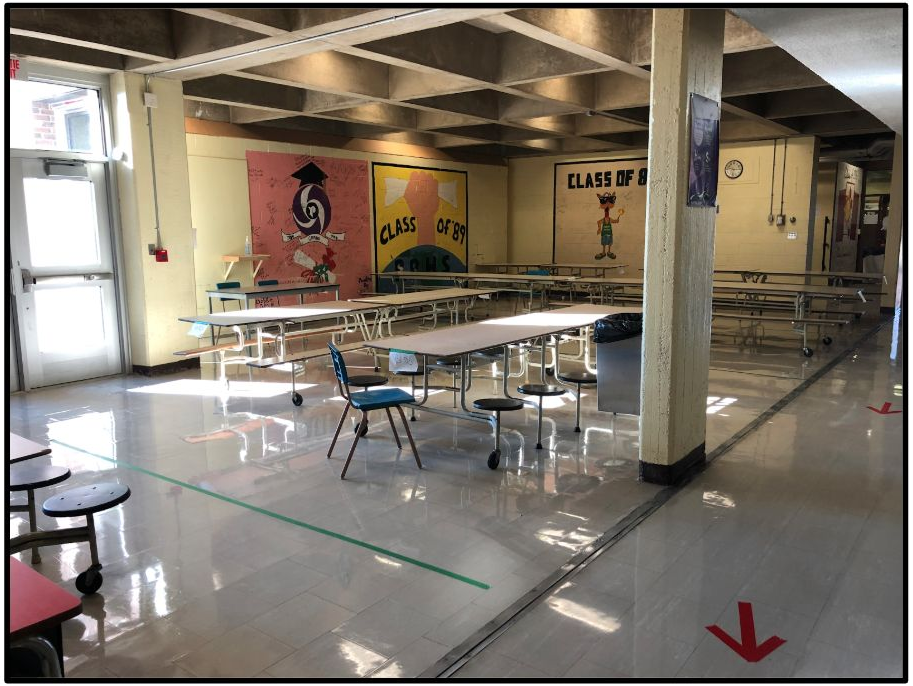

Right next to the Library is the makerspace; a creative hub where students can make crafts, experiment with the electronic board, or learn a new skill. It's filled with recycled materials and donated craft items. We add new equipment each year to provide more fun and creative opportunities.

Google Slides

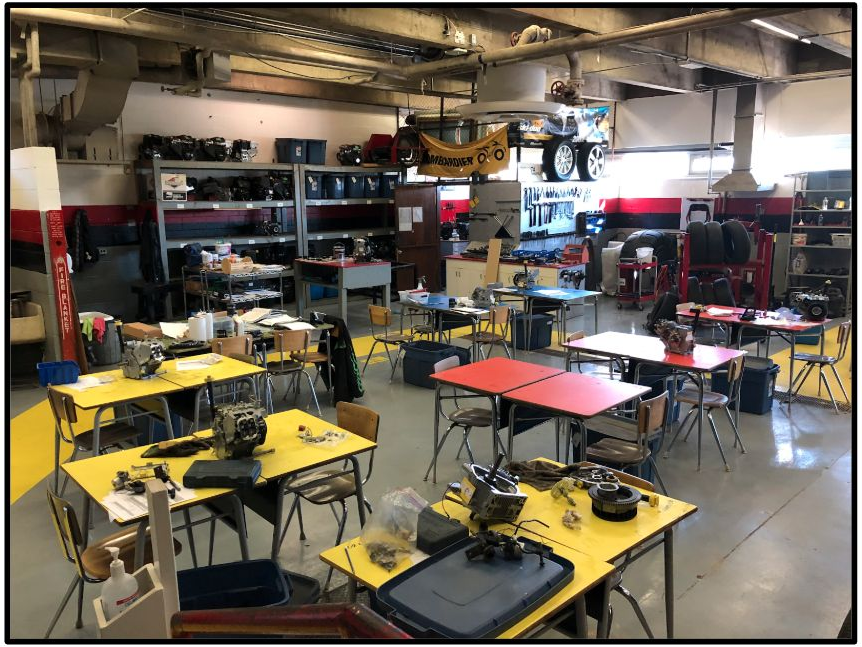

Green and Blue Cafeterias

Downstairs, our cafeterias are separated by cycle, Green for Cycle 1 students and Blue for Cycle 2.

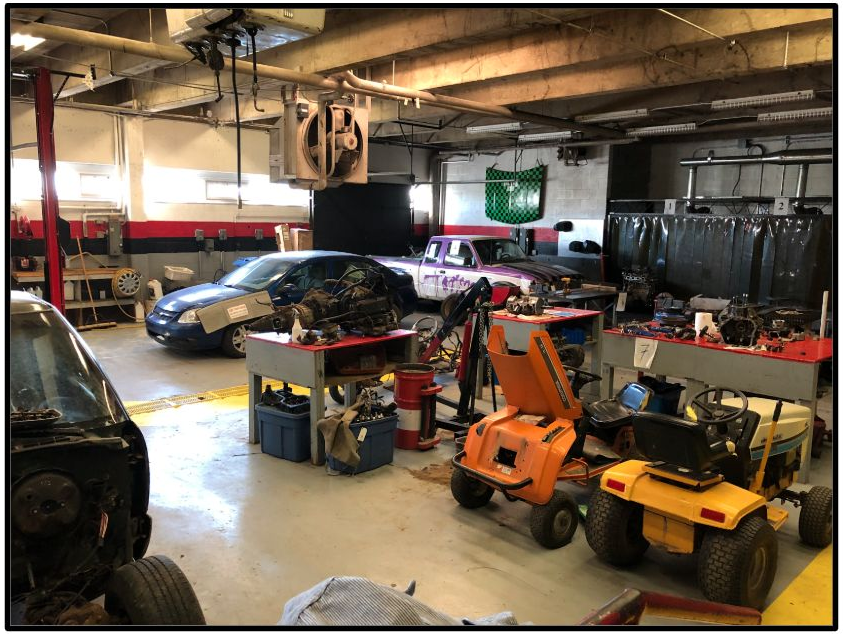

There is a caterer 2 days per week that sell pre-ordered meals. There are 3 shared microwaves in each cafeteria and vending machines in the lobby and cafeteria with healthy options.

Google Slides

The Mechanics Shop

At the end of Green Hall is the Mechanics shop. Students in Secondary 4 & 5 have the opportunity to take the Mechanics option course.

Mechanics students work on things like welding, automotive repair, and small engines.

Google Slides

The Art Room

Located at the end of the Blue Hall the art room is the place to paint, sculpt, draw, collage etc etc.. Visual Arts is just one of the exciting art options Secondary 1 students will get to experience, we also have Music, Drama, and Industrial Arts.

Google Slides

The Wood Shop

Located at the end of Red Hall, the wood shop is used by both cycle 1 and 2 students.

For cycle 1, we have industrial arts as well as the Fun Fabrication passion. We also have wood shop as an option course for both Secondary 4 & 5.

Google Slides

The Auditorium

Just off the main lobby, the RRHS newly renovated auditorium has seating for over 300 people. It is home to all our Drama Dept classes and their productions. We also use the space for school assemblies, pep rallies, community gatherings, and RRHS Movie Nights.

Google Slides

The Offices

On the first floor, left from the main lobby, is the Central office. Just past the Central office are the administrators offices.

Principal: Steve Element

Vice Principal
Craig Evans

School Secretary
Sarah Hannan

Thanks for taking the RRHS tour!

Watch our Facebook page for more updates. We will post information on Registration as it becomes available.

Keep Calm and Carry on Knights
